OUR TARGET

Loud Radio targets the diverse 18-44 year old segment of of the area's population. From millennials to Gen X the mass appeal of our format reaches a very broad audience. LOUD MIDDAYS WITH DJ GROOVES

Pat "DJ Grooves" Cerullo traces his career in broadcasting back to the summer of 1996. Before he was old enough to get a drivers license he was spending his weekends volunteering at a small college radio station in Easton, PA.

He moved across the country to pursue his radio career with on air and programming positions in State College PA, Lexington KY, Washington DC, Detroit MI, Philadelphia PA, and San Antonio TX.

While working full time Grooves simultaneously cultivated and grew his nationally syndicated mixshow "The LOUD Mix with DJ Grooves". It can be heard on 60+ stations nationwide every weekend, originating from right here in PA!

Since 2012 Grooves has also focused on Station ownership. He secured his first station with a group in Portland, ME and has since expanded the brand into his home state of Pennsylvania.

Catch DJ Grooves weekdays from 1pm to 3pm and back at 5pm for The Loud Mix at 5. You can also hear him mixing every Friday and Saturday night during The LOUD Mix.

LOUD AFTERNOONS WITH BEZ MUSIQ

Jabez "Bez Musiq" Carrasquilla was born and raised right here in the Lehigh Valley. He first gained notoriety at age 13 when he secured a DJ residency at one of the biggest nightclubs in the area.

Bez rapidly made a name for himself with genre-defying DJ sets and proved his vast knowledge of music and technical skills. At only 15 Bez opened up for Fabolous and A Boogie at the PPL Center. He has since opened up for many major acts and performed at various venues throughout the region with residencies at some the Lehigh Valley's best known night clubs.

In 2022 Bez began his journey into radio. He participated in LOUD Mix weekends and earned a permanent slot. Like his DJ career Bez has quickly proven his abilities as a radio host and secured a spot in the weekday Loud on air lineup.

Catch Bez Musiq weekdays from 3pm to 7pm. You can also hear him on The LOUD Mix every Sunday at 10pm.

LOUD NIGHTS WITH VIJAY

Vijay is our afternoon host on Loud Radio! Originally from Maryland; he's a radio personality, videographer, club and event DJ, and comedian. Vijay has been doing radio since 2008 and spent his first few years working around Central PA. He is back in the Keystone State after spending 8 years in Boise, Idaho.

His extended family tree is filled with quick witted, outgoing, funny individuals who have definitely influenced who he is today and how he does his job on the airwaves.

Vijay knew radio was his calling by the time he was 10 years old, after seeing local radio personalities making a difference in his community.

He has also worked in television doing production and behind the scenes work and loves traveling to new cities and cooking (which he learned during the pandemic). Catch him weekdays 7pm to 10pm on the all new Loud Radio!
